**MaRCTech2 is a premier Manufacturer's Representative, Pacific NW Centered, & Globally Supported. We combine our history with our progressive attitude and commitment to supporting our customers, manufacturers and network.**

**LED AMERICAN BRIGHT**
LED Components, PCB Design Services, and Custom Design Solutions.

**Board Shark / NCAB GROUP**
Board Shark, Division of NCAB
PCBs of all technologies, lead times & quantities. for projects & protos!

**Calumet Electronics Corporation**
USA-made PCBs for performance and critical requirements.

**CURTIS INDUSTRIES**
Electrical components, terminal blocks and EMI/RFI filters.

**CviLux**
Connectors, Flexible Flat Cable, and Wire Harnesses.

**Jianghai**
Electrolytic Capacitors - Aluminum Electrolytic Polymer, Super Capacitors.

**MPD MICROPOWER DIRECT**
DC/DC converters, AC/DC power supplies, IGBT and SiC DC/DC's and POL's.

**Microtips TECHNOLOGY**
LCD Modules, Character, Graphic Color TFT, OLED, Touch.

**MOLDED DIMENSIONS GROUP**
Plastics Injection Molding Polymer Solutions. Mold Making, Assembly, Kitting.

**PHD ENERGY**
BATTERY & MANUFACTURING
Premium Battery Technology & Products.

**PacRim Manufacturing**
Offshore manufacturing - custom engineered components

**TAIWAN SEMICONDUCTOR**
TSC has grown into a global leader in power semiconductor devices.

**TRIAD MAGNETICS**
Standard & Custom Transformers & Inductors, High Frequency Magnetics and Power Supplies.

**VOXPOWER**
Unique AC/DC and DC/DC power solutions for medical, industrial and technology markets.

**Our organization and systems are built around the ability to provide end-to-end solutions for all your Engineering, Quality, Operational & Supply Chain needs.**

## SOLUTIONS INCLUDE:

### PCBs
AS9100D
Cage Code
DoD Supported
Flex Cables
Flexible Circuits
Flexible Heaters
HDI
HubZone
IC substrates
ITAR
Insulated Metal Substrate Boards
Membrane Switches
Mil-Aero
MIL-PRF-31032/55110
NADCAP
Offshore/Domestic
PCBA
Printed Electronics
Production Volumes
Prototyping and NPI
Quick-Turn/Standard Lead Times
RF and Microwave
Rigid-Flex
Standard Technology

### Power Supplies
AC/DC Power Supplies
Compact High Density
Conduction and Convection Cooled - Fanless
Custom Solutions and Designs
DC DC Converters
Desktop Power Supplies
External/Internal (Off-Board)
LED Drivers
Medical Approved Supplies
POL Switching Regulators
Power Supplies - Board Mount
Programable Power Supplies

### Custom Plastics and Metal
Assemblies
Backlighting
Capacitive Switches
Castings
CNC machining
Contoured Overlays
Custom Plastic/ Injection Molding
Custom Rubber Parts
Custom Urethane Parts
Extrusions
Graphic Products
In-Mold Decorating
Keypads
Mechanical Assembly
Nameplates and Labels
Precision Sheet Metal Fabrication
Printed Electronics
Roto-molding
Sheet metal
Touch Screen Assemblies
Tube bending
Turn-Key Assemblies

### Components
Custom LED Assemblies (AS9100)
Diodes
Electrolytic Capacitors
Film Capacitors
EMI/RFI Filters
Industrial Automation & Controls
Integrated Circuits (ICs)
Isolators
LEDs
Optoelectronics
Polymer Capacitors
Programable Rope Lighting
Rectifiers
Semiconductors
Sensors, Transducers
Super Capacitors
Terminal Blocks
TVS Diods

### Premium Battery Solutions
Battery Packs and Assemblies
Battery Products
Circuit Protection
Li-MnO2, Li-SOCl2 to Ni-MH and Li-ion
Primary and Secondary

### Magnetics
Custom
Filters
Inductors, Coils, Chokes
Transformers
US made and Offshore

### Connectors and Cable
Assemblies
Automated Crimping
Automated Wire
Barrier Terminal Blocks
Box Builds
Cable harnesses
Cables, Wires - Management
Connectors
Connectors, Interconnects
Electro-mechanical Assemblies
High Voltage Assemblies
Injection Molding / Overmolding
Locking connectors
Manufacturing Services
Non-halogen connectors
Optoelectronics
Plugs
Power Control Boxes
Power Cords
RF and Wireless
Sensors, Transducers
System Integration & Design Tools
Wire Harness Assembly
